

Driving Test Checklist

Prepare for your road test by completing this checklist. Remember to check with your local DMV for specific requirements.

Vehicle Documents

- Registration
- License Plates
- Proof of insurance
- Any state-required documents

Personal Documents

- Valid identification (birth certificate, passport, certificate of citizenship)
- Social Security number
- Valid learner's permit
- Proof of address (utility bill, lease agreement)
- Any required DMV documents (training certificates, driving logs)

Check Vehicle Equipment

- All lights (headlights, brake lights, turn signals, hazard lights)
- Foot brakes
- Parking/emergency brake
- Tire pressure and tread depth
- Horn
- Windshield wipers
- Doors and windows
- Mirrors adjusted for optimal visibility
- No fluid leaks

Knowledge Test

- Review common traffic signs
- Study the rules of the road
- Understand defensive driving techniques

Skills Test Practice

- Turning
- Accelerating, steering and stopping smoothly
- Stopping behind the crosswalk line
- Following the speed limit and traffic signals
- Safe following distance
- Straight parking
- Parallel parking
- Parking on a grade
- Driving in reverse
- Passing
- Observe right-of-way
- Three-point turn
- Signaling lane changes
- Checking blind spots
- Emergency stop

Pre-Test Preparation

- Practice driving in different traffic conditions
- Review the driver's handbook provided by your state's DMV
- Practice relaxation techniques for test anxiety
- Get plenty of rest the night before the test

Test Day

- Eat a nutritious meal
- Bring all required documents
- Arrive at the testing location early
- Stay calm and composed
- Listen to instructions and ask for clarification if needed
- Follow all traffic laws and safety protocols
